

## Tutorial: How to Use a Centrifuge Safely ?

Following adequate guidelines for operating a centrifuge can prevent damage to the centrifuge and possible serious injury to you and others. Here we inform the Tutorial Course for safely handling of centrifuges held on medical research support center. Don't miss the opportunity to refine your safety knowledge.

\* The tutorial course is same as The 175<sup>th</sup> Tutorial Course (in Japanese).

Date: September 14, 2016 (Wed) 13:30-15:00

Capacity : Max 20 attendances (handle inquiries on a first-come and first-served basis)

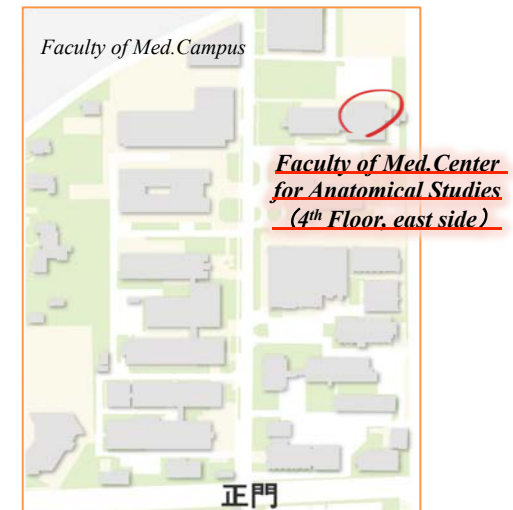

Place : Medical Research Support Center

Faculty of Med. Center for Anatomical Studies (4th Floor, east side)

Registration : Please register via E-mail with following information,

- 1) Put the course title "The 174<sup>th</sup> Tutorial Course" to the subject line.
- 2) Your name and position.
- 3) Laboratory Name (Affiliation)

Due Date : September 13, 2016 (Thu) 17:00

=== Applications and Inquiries ===

Medical Research Support Center, Graduate School of Medicine, Kyoto University  
(Faculty of Medicine Center for Anatomical Studies, 4<sup>th</sup> Floor)
